

Vision and Goals

Our Vision:

That all youth would experience the presence and power of God in their lives daily.

Our Goals that help reach that vision:

1. To present Jesus Christ to senior and junior high students in such a way that they can make a non-pressured decision for Jesus Christ as Lord of their life.
2. To nurture Christians in their walk with Christ through group talks, small group discussions, fellowship and quality contact time.
3. To strengthen local, church youth groups by providing a quality summer mission-minded program.
4. To provide an opportunity for teens to serve through a local mission project.
